“No disease is incurable. Researchers just haven’t figured this one out yet!”

- V. Michael Fulginiti

The Family Strong Foundation 4 ALS is excited to announce our upcoming V. Michael Fulginiti Open Golf Tournament, which will take place on Monday, June 12, 2023 at the private Radley Run Country Club, West Chester, Pennsylvania. This event is a great opportunity for golf enthusiasts and community members to come together and make a difference in the fight against ALS.

FSF was founded in honor of V. Michael Fulginiti, who passed away in October of 2016, following a courageous battle with ALS. A lifelong resident of Delaware County and an active community member and business owner in Aston, Pennsylvania, Michael made a difference by working hard and giving his best each every day. Michael’s belief that no disease is incurable, and that researchers will eventually find effective treatments for ALS, is what inspires our board of directors and supporters to champion scientists as they work to “figure it out.”

Currently, there is no cure and no therapy to slow the progression of ALS for the 450,000 people suffering from this debilitating disease around the world; it has a 100 percent mortality rate. FSF wishes to shine hope where there is none. Our mission in the fight against ALS. With your help, we can support research and advocate for efficient and expedient access to treatments and cures.

The V. Michael Fulginiti Open Golf Tournament will feature a fun filled day of golfing and socializing . We will begin the day with a hot lunch followed by an afternoon of golfing and contests; putting, longest drive, and closet to the pin. Prizes will be awarded during a delicious dinner. The day will be a fun filled day of golf and so much more. By participating in this event, you will be making a tangible impact on the lives of people living with ALS and their families. Your generous support, will help us to fund research into new treatments and therapies, and raise awareness about this devastating disease.

We invite you to join us for a day of golf and fundraising for ALS. Whether you are an experienced golfer or a novice, there is a place for you on our team. Together, we can make a difference and help to find a cure for ALS. Please join us at the V. Michael Fulginiti Open Golf Tournament as we raise awareness of and research funds for ALS.

Enclosed is a copy of the sponsorship levels and registration form. We invite you to join us at the “V. Michael Fulginiti Open Golf Tournament” as we raise awareness of — and research funds for — ALS! Thank you for your support, and we look forward to seeing you on the course.

Sincerely,

President
